

FOFFA

URBAN

FEATURES:

- **FRAMESET:** A lightweight Chromoly 4130 steel for extra flexibility and a fairly compact geometry for additional comfort and responsiveness

It has eyelets to fit a rear rack and mudguards as well as a set of bottle cage bosses to make it a fully functional machine.

- **WHEELSET:** 40mm triple wall Foffa alloy rims for a robust feel and 700 x 28c puncture protection tyres for smooth rides on most terrains.

- **GROUPSET:** 7-speed Shimano Nexus hub to make it ideal for any hilly ride and a Revo Shifter for low effort rotational twist shifting and comfortable handling.

- **OTHER FEATURES:** A Lasco 46T alloy crankset with chain guard, a track saddle, ergo grips for extra comfort and a quill stem for extra adjustability and a classic look.

- **WEIGHT:** 12.9kgs

- **SIZES:**

SMALL (48cm) = 150cm - 168cm (4ft9 - 5ft6)

MEDIUM (56cm) = 168cm - 180cm (5ft6 - 5ft10)

LARGE (61cm) = 180cm - 200cm (5ft10 - 6ft6)

RRP - (UK) £499.99 – (REST OF EUROPE) €599.99
